Iowa Conference Leadership Pool Instructions

Process at Annual Conference

All laity and clergy (including local pastors) who are willing to serve on a district or conference board or agency may submit their own names to the Conference Nominations Coordinating Committee for use in the leadership pool. The form needs to be signed by a pastor as a recommendation for a layperson.

Process at Charge Conference

Each local church Lay Leadership Committee is asked to select at least one lay person with time, willingness and ability to serve in a conference or district leadership position. Clergy who are willing to serve may submit their own names. Leadership pool forms should be completed for each nominee and submitted to the District Superintendent.

General Information

- a. Complete this form fully, providing as much information as possible, for Conference and District Nominations Committees to match your interests and abilities with open positions.
- b. Names will be placed in the Leadership Pool, a computer listing used by the District and Conference Nominations Committees when filling open positions.
- c. If the Leadership Pool does not have persons matching the particular needs of a board or agency, nominations may be made of persons outside the pool.
- d. Not all persons in the pool will be nominated immediately for district or conference boards or agencies. However, each name will be kept in an active file for four years.
